2 4 2	ASE 1020/120 Basic Automotive Electricity AND ASE 2021/221 Auto/Diesel Body Electrical AND ASE 1023/123 Starting and Charging Systems	AIM 120/L 4credits
(4) 2	ASE 2021/221 Auto/Diesel Body Electrical AND ASE 1032/132 Ignition System Diagnosis and Repair	AIM 220/L 4credits
33	TOTAL REQUIRED COURSE CREDITS	25 credits
28	ASE courses required in AAS program	23 credits additional automotive coursework

77	TOTAL COMMUNITY COLLEGE CREDITS	64
-----------	--	-----------

This agreement identifies community college courses that will apply to the baccalaureate degree.

GUARANTEES & LIMITATIONS

1. **Completion of Associate's Degree:** This transfer guide identifies the courses a student needs to complete (with a C- or higher) to earn an AAS degree at a Colorado community/junior college in order to be able to finish the designated baccalaureate degree in no more than 60 credits. Per [Colorado Commission on Higher Education \(CCHE\) Policy I, L](#), students who complete an AA or AS degree at a Colorado community/junior college and who are admitted to a Colorado public baccalaureate institution are guaranteed the following: the full transfer and application of a minimum of 60 credits toward the baccalaureate degree requirements at the Colorado institution of higher education; completion of the lower-division component of the receiving institution's general education core curriculum; and junior standing. Course credit may be applied to major, elective or other requirements at the receiving institution's discretion. If more than 60 college-level credits are taken or the student gets lower than a C- in one or more courses at the community/junior college, then some loss of transfer credit may occur, and students may not be able to complete this baccalaureate degree in 120 credits.
2. **Transfer Before Completing the Associate's Degree:** If the student intends to transfer prior to completing an AAS degree, this transfer guide should still be used to identify the courses that can most effectively prepare them for efficiently completing the designated major at the baccalaureate institution to which they are transferring. While not completing the required associate's degree eliminates the guarantees described here, gtPathways general education courses identified in Section I are guaranteed to transfer and apply to the receiving institution's gtPathways lower division general education requirements. Students are strongly encouraged to finish course sequences (such as English Comp I & II or Calculus I, II & III) before transferring.

For additional information on CCHE transfer policies and gtPathways guaranteed transfer of general education credit, visit <https://highered.colorado.gov/guaranteed-transfer-gt-pathways-general-education-curriculum-0> . To file a transfer-related complaint with the Colorado Department of Higher Education, visit <https://highered.colorado.gov/filing-student-complaint>

The chart shown below illustrates the remaining requirements to complete the BAS in Automotive Industry Management after transferring to CSU Pueblo. 64 semester credits are the maximum amount of transfer credit allowed from two-year institutions. Therefore the credits shown below **MUST** be completed at CSU Pueblo.

Additional Major Core Course Requirements		
Course Prefix (CSUP)	Course Name	Credits
AIM 105	AIM and College Life	1
